HOMA

COOKIES POLICY

0 → INTRODUCTION

WELCOME IN THE LOBBY!

HOMA GAMES SAS (hereafter, "**Homa**", "**us**", "**our**", or "**we**") makes respect for privacy and the protection of personal data a top priority.

For this reason, you will find in this cookies policy (hereafter the "**Cookies Policy**") all the information you need to know about the cookies and similar trackers we use, whether you are (hereafter indistinctly "**you**" or "**your**"):

a visitor of our websites (*i.e.*, http://homagames.com/, hereafter the "**Homa Games Website**", https://homagang.xyz/, hereafter the "**Homa Gang Website**" and https://lab-v2.homagames.com/login, hereafter the "**Homa Lab Website**"; together the "**Websites**") (hereafter the "**Visitors**");

a user of any games or mobile applications (hereafter individually the "**Games**", or the "**Apps**", together the "**Services**") published by Homa (hereafter the "**Players**");

If you are a Visitor, please check the Cookies policy for Websites' visitors.

If you are a Player, please check the Cookies policy for Games and Apps' Players.

COOKIES POLICY FOR WEBSITES' VISITORS

1 → ## WHAT IS A COOKIE?

IT'S NOT A CAKE!

Cookies and similar trackers, such as "flash" cookies, "local storage", etc. (hereinafter referred to as "**cookies**") are files placed on a user's terminal when they use an application or visit a website. Cookies are used to store information on the user's terminal so that such cookies can be accessed later by the controller.

Some cookies are placed only for the duration of your browsing on an application or website (such as "session cookies", which disappear as soon as you leave the website concerned), while others are deemed "permanent" (i.e., they remain placed on your terminal until they expire, or even prior to the expiry if you delete them).

THERE ARE COOKIES TO SUIT ALL TASTES

When you visit our Websites, cookies are placed on your terminal. With the exception of "necessary" cookies, you are, and will always remain free to refuse at any time the deposit of cookies on your terminal or to personalize your choices in this respect.

To do so, the following three options are made available to you:
- the cookies banner displayed when you enter our Websites;
- the cookies management solution detailed in paragraph 4 of the present Cookies Policy; or
- by setting your browser as specified in paragraph 4 of the present Cookies Policy.

Thus, this Cookies Policy is intended to inform you why we use cookies and how you can exercise your choices in this regard.

We do not use any such cookies or other trackers on Homa Gang Website.

2 → ## WHICH COOKIES DO WE USE, WHY AND FOR HOW LONG?

Depending on the choices and preferences you have made, different types of cookies may be placed on your device when you browse our Websites. These cookies may be placed directly by us or by third parties, as specified below.

NECESSARY COOKIES

The following cookies are used because they are necessary to ensure the proper functioning of the Websites.

These trackers are used to memorize your choices on your account, to provide functionalities facilitating the use of the Websites or to improve their performance and security. They are essential for the proper operation of the Websites. The use of these cookies does not require your consent. If you refuse to accept cookies, the Websites may not function normally.

NAME AND FUNCTION OF THE COOKIE	SET BY	COOKIE LIFETIME
ON HOMA GAMES WEBSITE		
token: This cookie ensures Visitors' browsing security by preventing the falsification of requests between sites. This cookie is essential for the security of the Homa Games Website and the Visitor.	Homa	Session
CONSENT: This cookie is used to detect whether the Visitor has accepted the marketing category in the cookies banner.	youtube.com	6 months
ON HOMA LAB WEBSITE		
token: This cookie ensures Visitors' browsing security by preventing the falsification of requests between sites. This cookie is essential for the security of the Homa Lab Website and the Visitor.	Homa	Session

PREFERENCE COOKIES

Based on the choices and preferences you have made, and in any event, not without your consent, the following cookies are used to personalize your browsing experience on the Websites (for example, cookies related to language selection or personalization of service display).

Please be aware that if you decide not to accept these cookies, we will not be able to remember your choices and personalize your browsing experience. You will then have to specify them continuously.

NAME AND FUNCTION OF THE COOKIE	SET BY	COOKIE LIFETIME
ON HOMA GAMES WEBSITE		
player: This cookie records Visitor's preferences when viewing Vimeo's embedded videos.	vimeo.com	6 months
sync_active: This cookie contains data on Visitors' video content preferences. This enables the Homa Games Website to memorize settings such as preferred volume or video quality.	vimeocdn.com	6 months

cf_bm: This cookie is used to identify and mitigate automated traffic to protect the site from bad bots. It does not track users from site to site or from session to session..	cloudflare	30 minutes
yt-remote-cast-available: This cookie stores the Visitor's video preferences for embedded YouTube videos.	youtube.com	Session

ANALYTICS COOKIES

Based on the choices and preferences you have made, and in any event, not without your consent, the following cookies, known as "analytics" cookies, are used to create aggregated statistics that enable us to better understand how our Websites are used in order to optimize them and improve our services.

Please be aware that if you object to their use, we will not be able to compile aggregate statistics that will enable us to improve the Websites. However, the functionalities of the Websites will not be altered by your opposition, and you will therefore be able to browse them without the slightest difficulty.

NAME AND FUNCTION OF THE COOKIE	SET BY	COOKIE LIFETIME
ON HOMA GAMES WEBSITE		

LAST_RESULT_ENTRY_KEY: This cookie is used to track the Visitor's interaction with the integrated component.	youtube.com	Session
remote_sid: This cookie is necessary to set up and operate YouTube's video content on the Homa Games Website.	youtube.com	Session
TESTCOOKIESENABLED: This cookie is used to track the Visitor's interaction with the integrated component.	youtube.com	1 day
VISITOR_INFO1_LIVE: This cookie tries to estimate Visitor bandwidth on pages with integrated YouTube videos.	youtube.com	180 days
YSC: This cookie records a unique identifier to keep statistics on YouTube videos seen by the Visitor.	youtube.com	Session
YtIdbMeta#databases: This cookie is used to track the Visitor's interaction with the integrated component.	youtube.com	6 months
ON HOMA LAB WEBSITE		
mp_#_mixpanel: This cookie is used to track users by collecting data on their behavior such as the number of clicks, their provenance, and the details of their visit to the website, in order to improve analysis and user experience.	lab-v2.homagames.com	6 months
mp_#_mixpanel: This cookie is used to track users by collecting data on their behavior such as the number of clicks, their provenance, and the details of their visit to the website, in order to improve analysis and user experience.	homagames.com	6 months

MARKETING COOKIES

The following cookies are used to track your browsing on the various Websites you visit in order to display advertising content tailored to your interests.

NAME AND FUNCTION OF THE COOKIE	SET BY	COOKIE LIFETIME
ON HOMA GAMES WEBSITE		
_ga: This cookie stores a unique identifier used to generate statistical data on how Visitors use the Homa Game Website.	vimeo.com	6 months

_ga_#: This cookie is used by Google Analytics to collect data on the number of times a Visitor has visited the Homa Games Website, as well as the dates of the first and most recent visits.	vimeocdn.com	6 months
aka_debug: This cookie is used by Vimeo to track usage of their embedded video player.	akamaized.net	Session
vuid: This cookie collects data on the Visitors's visits to the Homa Games Website, such as the pages that have been accessed.	vimeo.com	6 months
__hstc: This cookie collects data on the Visitor's visits to Homa Games Website, such as the domain, the unique tracking key, the initial, last and current timestamp, and session number.	Hubspot	6 months
hubspotutk: This cookie keeps track of the Visitor's identity and contains a unique and opaque identifier to represent the Visitor. When the Visitor submits a form on the Website, the cookie is sent to HubSpot and is used to prevent duplicates in the recorded contacts.	Hubspot	6 months
__hssc: This cookie is used to track the Visitor's sessions and collects data such as the domain, view count, and session start timestamp. This information subsequently helps HubSpot determine if the session number and timestamps should be updated in the __hstc cookie.	Hubspot	30 minutes
__hssrc: This cookie is set to identify if the visitor has restarted their browser whenever HubSpot changes the session cookie.	Hubspot	Session

3 → ## HOW DO WE KEEP TRACK OF YOUR CONSENT COLLECTED?

Homa does not place cookies or other data on your computer without your consent, except for those cookies for which your consent is not required.

When you first visit our Websites, you will have the opportunity to accept or decline the use of cookies for which your prior consent is required. Where your consent is required, we will not place any cookies on your terminal until you have given your express consent.

If you do not wish cookies to be installed or read on your terminal, a refusal cookie will be stored on it so that we can keep track of your refusal. If you delete this cookie, we will no longer be able to know that you have refused the use of cookies. Similarly, when you accept cookies, a consent cookie is set. Consent or refusal cookies must remain on your terminal and are stored for a period of 6 months.

You can change your choice of cookies at any time. To do so, please consult the "How can you manage cookies" section below.

4 → HOW CAN YOU MANAGE COOKIES?

READY?

There are several ways for you to manage the cookies we use.

GO!

Cookies management solution

To manage the categories of cookies to which you have consented, we invite you to use our solution specifically designed for this purpose, and available by clicking on this icon featured at any time on our Websites:

Opposition platforms

You can also deactivate certain third-party cookies by going directly to their publisher's page.

To identify the publisher of a third-party cookie, we invite you to consult the explanatory tables in the "Which cookies do we use, why and for how long?", Section 2 above.

Browser settings

In addition, most browsers allow you to accept all cookies, reject all cookies or choose which cookies to accept, depending on the publisher. You can also regularly delete cookies from your terminal via your browser.

The settings for each browser are different. They are described in your browser's help menu, which will tell you how to modify your cookie preferences.

For example

- for Microsoft Edge: https://support.microsoft.com/fr-fr/help/4468242/microsoft-edge-browsing-data-and-privacy-microsoft-privacy
- for Safari: https://support.apple.com/fr-fr/safari
- for Chrome: http://support.google.com/chrome/bin/answer.py?hl=fr&hlrm=en&answer=95647
- for Firefox: http://support.mozilla.org/fr/kb/Activer%20et%20d%C3%A9sactiver%20les%20cookies
- for Opera: http://help.opera.com/Windows/10.20/fr/cookies.html

As mentioned above, please bear in mind that if you set your browser to reject all cookies, some of the Websites' features may not function normally.

5 → HOW DO WE PROCESS YOUR PERSONAL DATA?

Where cookies are used to collect personal data about you, this data is processed and stored in accordance with our Privacy Policy, accessible 👉 here

6 → HOW CAN YOU CONTACT US?

CONTACT US

If you have any questions or requests regarding our use of cookies, you can contact us by email at dpo@homagames.com or by post at the following address: HOMA DPO, 7 rue de Madrid, 75008 Paris, France.

7 → WHEN AND HOW WILL YOU BE INFORMED IF THIS POLICY CHANGES?

We periodically review this Cookies Policy to ensure it is compliant and up to date with applicable data protection regulation.

You will be notified in case of substantial changes to the Cookies Policy (for example, if the modifications impact the categories of personal data processed or the purposes of processing) within 30 days before the changes come into force. This will give you the opportunity to review the updated Cookies Policy before you decide whether to continue using our Websites.

Good Game Well Played!

COOKIES POLICY FOR GAMES AND APPS' USERS

1 → WHAT IS A COOKIE?

IT'S NOT A CAKE!

Cookies and similar trackers, such as "flash" cookies, "local storage", etc. (hereinafter referred to as "**cookies**") are files placed on a user's terminal when they use an application or visit a website. Cookies are used to store information on the user's terminal so that such cookies can be accessed later by the controller.

Some cookies are placed only for the duration of your browsing on an application or website (such as "session cookies", which disappear as soon as you leave the website concerned), while others are deemed "permanent" (i.e., they remain placed on your terminal until they expire, or even prior to the expiry if you delete them).

THERE ARE COOKIES TO SUIT ALL TASTES

When you visit our Services, cookies are placed on your terminal. With the exception of "necessary" cookies, you are, and will always remain free to refuse at any time the deposit of cookies on your terminal or to personalize your choices in this respect.

To do so, the following three options are made available to you:
- the cookies banner displayed when you enter our Websites;
- the cookies management solution detailed in paragraph 4 of the present Cookies Policy; or
- by setting your browser as specified in paragraph 4 of the present Cookies Policy.

Thus, this Cookies Policy is intended to inform you why we use cookies and how you can exercise your choices in this regard.

2 → WHICH COOKIES DO WE USE, WHY AND FOR HOW LONG?

Depending on the choices and preferences you have made, different types of cookies may be placed on your device when you use our Services. These cookies may be placed directly by us or by third parties, as specified below.
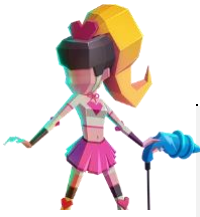

NECESSARY COOKIES

The following cookies are used because they are necessary to ensure the proper functioning of the Services.

These trackers are used to memorize your choices on your account, to provide functionalities facilitating the use of the Services or to improve their performance and security. They are essential for the proper operation of the Services. The use of these cookies does not require your consent. If you refuse to accept cookies, the Services may not function normally.

NAME AND FUNCTION OF THE COOKIE	SET BY	COOKIE LIFETIME
uc_settings and/or ucString: This cookie is used within the Usercentrics consent Management Platform for consent storage, and compliance with legal obligations.	Usercentrics GmbH	6 months
uc_user_interaction: This cookie is used within the Usercentrics consent Management Platform for consent storage, and compliance with legal obligations.	Usercentrics GmbH	6 months
ucData: This cookie is used within the Usercentrics consent Management Platform for consent storage, and compliance with legal obligations.	Usercentrics GmbH	6 months

ANALYTICS COOKIES

Based on the choices and preferences you have made, and in any event, not without your consent, the cookies known as "analytics cookies" are used to create aggregated statistics that enable us to better understand how our Services are used in order to optimize and improve them.

Please be aware that if you object to their use, we will not be able to compile aggregate statistics that will enable us to improve the Services. However, the functionalities of the Services will not be altered by your opposition, and you will therefore be able to use them without the slightest difficulty.

To obtain the list of the third-party analytics cookies used by Homa, and the details on their purposes and duration, check the Consent Management Platform (CMP), provided by Usercentrics, available at any time in the Privacy Settings section of your Game or App parameters.
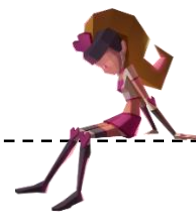

MARKETING COOKIES

Marketing cookies are used to track your browsing on the various Services you visit in order to display advertising content tailored to your interests.

To obtain the list of the third-party marketing cookies used by Homa, and the details on their purposes and duration, check the Consent Management Platform (CMP), provided by Usercentrics, available at any time in the Privacy Settings section of your Game or App parameters.

3 → HOW DO WE KEEP TRACK OF YOUR CONSENT COLLECTED?

Homa does not place cookies or other data on your device without your consent, except for those cookies qualified as necessary cookies and for which your consent is not required (see above for further details on the necessary cookies used by Homa).

When you first use our Services, you will have the opportunity to accept or decline the use of cookies for which your prior consent is required. Where your consent is required, we will not place any cookies on your terminal until you have given your express consent.

If you do not wish cookies to be installed or read on your terminal, a refusal cookie will be stored on it so that we can keep track of your refusal. If you delete this cookie, we will no longer be able to know that you have refused the use of cookies. Similarly, when you accept cookies, a consent cookie is set. Consent or refusal cookies must remain on your terminal and are stored for a period of 6 months.

You can change your choice of cookies at any time. To do so, please consult the "How can you manage cookies" section below.

4 → HOW CAN YOU MANAGE COOKIES?

READY?

There are several ways for you to manage your preferences on cookies.

GO!

Cookies Management Platform

To manage the categories of cookies to which you have consented, we invite you to use the Consent Management Platform (CMP) provided by Usercentrics and available when opening the Game or App and available at any time in the Privacy Settings section of your Game or App parameters.

The CMP has been specifically designed for this purpose and will enable you to (i) choose which cookies you wish to accept and which you wish to reject when using our Services; and (ii) withdraw your consent, at any time, to the use of such cookies, including third parties' cookies.

Opposition platforms

You can also deactivate certain party cookies by going directly to the relevant third-party's page.

To identify the publisher of a third party's cookie, we invite you to consult the explanatory tables in the "Which cookies do we use, why and for how long?" section above.

5 → HOW DO WE PROCESS YOUR PERSONAL DATA?

Where cookies are used to collect personal data about you, this data is processed and stored in accordance with our Privacy Policy, accessible 👉 here

6 → HOW CAN YOU CONTACT US?

CONTACT US

If you have any questions or requests regarding our use of cookies, you can contact us by email at dpo@homagames.com or by post at the following address: HOMA DPO, 7 rue de Madrid, 750058 Paris, France.

7 → WHEN AND HOW WILL YOU BE INFORMED IF THIS POLICY CHANGES?

We periodically review this Cookies Policy to ensure it is compliant and up to date with applicable data protection regulation.

You will be notified in case of substantial changes to the Cookies Policy (for example, if the modifications impact the categories of personal data processed or the purposes of processing) within 30 days before the changes come into force. This will give you the opportunity to review the updated Cookies Policy before you decide whether to continue using our Services.
